Austrian Airlines' RAIL STEALS Let You Explore Europe!

July 9, 2007

Independence and flexibility are the key words to describe Austrian Airlines' unique "Rail Steal" vacation packages valid for travel between now and October 31, 2007 ...

Independence and flexibility are the key words to describe Austrian Airlines' unique "Rail Steal" vacation packages valid for travel between now and October 31, 2007. Together with Austrian Airlines Vacation Center, operated by IMTC, Inc., Austrian Airlines offers seven (7) combined air and rail packages for travel from either New York (JFK), Chicago (ORD) or Washington (IAD), ranging from \$939 to \$1,999 per person, depending on your travel date and the package you select.

The Central Europe Rail Steal package includes roundtrip air transportation, economy class, between JFK, ORD or IAD and Vienna, Salzburg, Linz, Graz, Innsbruck, Krakow, Warsaw, Prague or Budapest, plus a second-class pass that offers five (5) days unlimited rail travel in a one-month period in Austria, Poland, the Czech Republic, Hungary and Slovakia.

The Balkan Rail Steal represents another outstanding value: it includes roundtrip air transportation from Austrian Airlines abovementioned USA gateways and any one of these European destinations: Sofia and Varna (Bulgaria); Athens and Thessaloniki (Greece); Skopje (Macedonia); Bucharest, Cluj, Iasi, Sibiu and Timisoara (Romania); Istanbul (Turkey) and Belgrade (Serbia/Montenegro). Again, you may select to fly into one city, and return back to the USA from another one of these cities. The rail pass included in this Balkan Rail Steal package allows five (5) days of unlimited first class travel in one month period.

Other Rail Steal packages are available for travel in Croatia, France, Italy, Germany and Romania. In addition to great rates, one of the main advantages of the Rail Steals is their flexibility: you may select to fly into one city, and return back to the USA from another featured city, though always via Vienna, Austrian Airlines' hub. Hotel accommodations are not included in these packages, but may be booked through Austrian Airlines Vacation Center as well.

"Independent travelers will appreciate the flexibility and creativity these rail and air packages allow," says Bram Majtlis, Austrian Airlines Vacation Center's President. "This is an economical way to go visit your college buddies, your ancestor's village or the city you missed on your last European trip!"

All Rail Steals must be paid in full within 7 days after reservations are confirmed, and no later than 14 days prior to departure. Once confirmed, the packages are non-refundable, non-transferable, and cannot be changed. All packages will be booked on Austrian Airlines in economy class and are subject to schedule and space availability. Your minimum stay is 3 nights or one Saturday overnight, and your maximum stay in Europe is 30 days. Fuel surcharges are included, but Rail Steals package prices do not include US Customs / INS / Aphis fees / International Transportation Tax / Passenger Facility Charges / Civil Aviation Security Fee / domestic and foreign Security and Airport Charges of up to approximately USD \$135 per passenger, depending on the itinerary. Additional taxes and fees may be collected by foreign governments. All taxes / fees / surcharges are subject to change and exchange rate fluctuations and may vary on the day of booking.

Further details about these and other Austrian Airlines vacation packages may be found on www.austrianair-vacations.com.
