Celebrating the 40th anniversary of its service between New York and [Helsinki](#), the Finnish airline has just announced its lowest-ever trans-Atlantic airfare for summer. Provided you buy your ticket no later than May 24, and fly between May 31 and October 31, the Finnish carrier will sell you a round-trip to Helsinki (from New York) for only \$400. And optionally, you will be able to travel onward by train or air from Helsinki to other European destinations.

This is a big one. For further details or to book, visit www.finnair.com/us or phone tel. **800/950-5000**.
