## **Finnair To Offer Five Flights Per Week From Toronto**

On June 6, Finnair will offer five non-stop flights per week between Toronto and Helsinki. Finnair's all-economy class flights depart on Mondays, Tuesdays, Wednesdays, Thursdays and Sundays, leaving Toronto at 10:50 p.m., arriving in Helsinki at 2 p.m. the next afternoon. Return flights will depart Helsinki at 5:45 p.m., arriving in Toronto at 7:35 p.m. on the same day. This schedule will be in effect from June 6 to September 9, 2010.

To celebrate Finnair's excellent connections via Helsinki to most major European cities, the Baltic states, Russia and the Far East, Finnair offers a variety of well-priced deals to many destinations from Toronto.

"Not only does Finnair offer great money-saving deals to Europe, we also happen to offer the shortest route to Asia -- via Helsinki," notes Michael Maass, Finnair's Sales Director for North America. "Check it out: you'll find that Finnair's flights from Toronto connect very well with our scheduled service to Bangkok, Beijing, Delhi, Hong Kong, Nagoya, Osaka, Seoul, Shanghai and Tokyo."

"We are thrilled to offer five flights per week from Toronto this summer, and look forward to welcoming vacationers and business travelers alike," says Maass. "Passengers can book their tickets online at [www.finnair.com](http://www.finnair.com) or, of course, by calling their travel agent for reservations."

Currently, Finnair's route network includes more than 50 international destinations, and 700 more through its cooperation with oneworld alliance partners.
