The Modern Atlanta 2010 Series of Events Kicks off Next Week!

Starting Tuesday, June 1, Atlanta will roll out the red carpet for the international design community with [Modern Atlanta](#)'s fourth annual "Design is Human" series of events. *Atlanta Homes & Lifestyles* is media partner of this year's occasion, which will showcase many facets of the international design industry in Atlanta, focusing on contemporary architecture and design, interior design, sustainable technology and, above all, humanity. With events ranging from the MA10 Home Tour to a Parisian-inspired fundraiser for [CARE International](#), MA has pulled out all the stops to attract visionaries from around the world and establish Atlanta as a hotspot for modern design. Here are a few of the events on the roster you should be sure not to miss:

- The [Architect Studio Crawl](#) and Happy Hour on June 4 from 6-8 p.m. will feature tours of the workspaces belonging to four of Atlanta's top architecture studios. Complimentary drinks and appetizers will be served.
- MA-ology draws inspiration from the City of Lights with its third annual fundraiser, "Paris," on June 4, starting at 8:30 p.m. The event, which will raise money for [CARE International](#), will showcase France's ever-present influence on the world of fashion, design and art—typified in the designs of [Roche-Bobois](#), [Lanvin](#), fashion illustrator [Jarno Kettunen](#) and more. French wines and desserts will be served. Tickets, \$40 online; \$45 at the door.
- The [MA10 Home Tour](#), held June 5-6, will open the doors to 14 area homes that exemplify a spectrum of modern residential design in Atlanta: classic postmodernism, digital design, sustainable design and more.

Tickets for these and other events associated with [MA10 "Design is Human"](#) are available through [Design Within Reach](#), [\(context\) gallery](#), [Octane Coffee Bar and Lounge](#), [SCIC](#), [Roche-Bobois](#) and the MA Guerilla Store at [White Provision](#).
