If you are willing to drive to Toronto, you can get super cheap airfares to Helsinki, Finland, on a new nonstop route from Finnair.

Round-trip fares are as low as \$801 (we checked for a theoretical trip June 15-22). Finnair's introductory deals are good today-June 25, then from Aug. 6-Sept. 30.

In comparison, Delta/KLM from Detroit to Helsinki stops in Amsterdam and costs about \$1,300 round trip.

Use Finnair's Web site for the best deal (www.finnair.com, 800-950-5000).
