[Village Place Brookhaven](#) is pleased to announce that a \$5,000 agent bonus will be awarded to all real estate professionals who sell one of Village Place Brookhaven's popular condominiums by July 31.

“In addition to our fabulous location just north of Buckhead, buyers appreciate the low (unincorporated DeKalb County) taxes, our large, flexible floor plans and gourmet kitchens and our superior details like the 5” wide plank maple hardwood floors throughout each residence,” notes Dillon Baynes, president of Orinda Corporation, who manages Village Place Brookhaven on behalf of Wrightwood Capital. “Our development almost sells itself, especially since many exciting new restaurants and unique retailers are opening in our neighborhood as well.”

In addition to Kaleidoscope Bistro & Pub (opening in the fall), Village Place Brookhaven is already home to J. Christopher's, Verde Taqueria, Yoforia and The Library Coffee Co. Other tenants include The Little House of Art, Cocktails & Canvas, Natural Body Spa and Shop, The Mercantile, Davonshire, Allure and Pro Cleaners, while across the street restaurants Haven and Valenza have become popular fine dining destinations in the neighborhood.

Located in Atlanta's fashionable Brookhaven community on Dresden Drive within walking distance (less than a quarter mile) from the Brookhaven/Oglethorpe MARTA station, [Village Place Brookhaven](#) features 41 luxury residences and 11 office condominiums, built above retail and restaurant space in two buildings. The live-work community is nestled in a 5-acre park-like setting not far from Peachtree Road. The development is close to some of the city's most popular restaurants and cafes and is just five minutes from Lenox Square, Phipps Plaza and the Buckhead business district.
