by [Jarkko](#) on December 31, 2010

in [Aviation](#)

Finnair Aircraft Finance Oy has agreed the sale of one of its Embraer 170 aircraft to a Swiss company Alterhein Realco AG. The aircraft will be transferred to its new owner in March 2011. The aircraft will be operated by Altenrhein Luftfahrt GmbH, an Austrian company operating under the brand “Peoples Viennaline”.

The sale was arranged by Jetscape, a commercial aircraft leasing, management, remarketing and advisory services company.

After the sale, Finnair retains five Embraer 170 aircraft and ten Embraer 190 aircraft for its own use.
