Qualified Contractors Invited to Submit Proposals by March 28

ATLANTA - The 85-year old **Sweet Auburn Curb Market**, operated by the Municipal Market Company, is getting ready for a major renovation of its 50,000 square feet historical structure, and invites qualified general contractors to submit their official bids by March 28.

"The Market needs certain critical capital improvements in order to increase the energy efficiency of our building, as well as certain cosmetic upgrades," explains **Pamela Joiner**, Market Manager. "We are confident that these improvements will increase traffic for our existing and new vendors, including our fresh food merchants, restaurants and cafés."

The Sweet Auburn Curb Market RFP includes, but is not limited to: architect for design, renovation of public restrooms, repair and/or replacement of doors and gates, electrical and mechanical upgrades, lighting retrofit, elevator upgrades, addition of HVAC units, internal and external signage, and more.

The full RFP is available online, via email request (info@SweetAuburnCurbMarket.com), or in hard copy at the Sweet Auburn Curb Market office.

"We will be able to fund this major renovation project with Federal dollars issued to the City of Atlanta pursuant to the American Recovery and Reinvestment Act ("ARRA") of 2009," explains **Joiner**. "This is a magnificent opportunity for the Market, and of vital importance to the ongoing resurgence of downtown."

The Pre-bid Conference will be held on Monday, March 21 at 11 AM at the Board Room of Central Atlanta Progress, 50 Hurt Plaza, Suite 110, Atlanta, GA 30303. At this meeting, interested bidders will be provided with detailed information regarding the project and have an opportunity to ask any questions about the RFP. An optional site visit to the Sweet Auburn Curb Market will follow immediately after this meeting.

All responses to this RFP need to be received by Pamela Joiner, the Market Manager of the Municipal Market Company no later than 2 PM on Monday, March 28.
