ATLANTA, May 2, 2011 - Looking for a well-priced vacation to Europe this summer or fall? If you book by June 15, Austrian Airlines Vacation Center may just have the right package for you. Basic three-night, four-day vacations combining international airfare plus hotel accommodations to Prague, Budapest OR Vienna start at \$1,169 per person, double occupancy for travel between August 28 - October 29, 2011. Package rates during the peak summer months start at \$1,519 per person.

The "City Steal" packages include roundtrip economy class air transportation from either New York (JFK) or Washington, DC (IAD), three (3) nights hotel accommodation in (your choice) Prague, Budapest OR Vienna, daily buffet breakfast, hotel service charges and hotel taxes. Travel is valid any day of the week, subject to availability. All hotels featured in these City Steals are centrally located, superior tourist class properties, such as the Hotel Chopin in Prague, City Hotel Matyas in Budapest and the Clima City Hotel in Vienna.

To combine these three Central European cities in one vacation, consider the Imperial City Steal vacation package starting at \$1,769 per person, double occupancy for travel between August 28 - October 29. This 10-day package includes roundtrip air from New York or Washington, DC, economy class, plus three nights each (9 total) in Prague, Vienna and Budapest, as well as rail transportation between the three cities. During peak season, the package price is \$2,169 per person.

One of the advantages of Austrian Airlines' vacation packages is their flexibility. You may stay in Europe up to 30 days, and you can use the hotel nights at the beginning or the end of your trip, as long as you use them consecutively. Also, one optional stopover in Vienna is allowed, so if you select a City Steal beyond Vienna, you can add some extra days in Vienna on your way to or from your final destination - though of course, additional

hotel nights are extra. Single supplements, upgrades, additional combinations and extensions are available upon request.

All City Steals must be paid in full within 7 days after reservations are confirmed, and no later than June 22. Once confirmed, the packages are non-refundable, non-transferable, and cannot be changed. All packages will be booked on Austrian Airlines in economy class and are subject to schedule and space availability. Your minimum stay is 3 nights or one Saturday overnight, and your maximum stay in Europe is 30 days. City Steals package prices include fuel surcharges but do not include US Customs / INS / Aphis fees / International Transportation Tax / Passenger Facility Charges / Civil Aviation Security Fee / domestic and foreign Security and Airport Charges of approximately USD \$185-\$240 per passenger, depending on the itinerary. Additional taxes and fees may be collected by foreign governments. All taxes / fees / surcharges are subject to change and exchange rate fluctuations and may vary on the day of booking.
