Atlanta-based **Austrian Airlines Vacation Center** has created a new vacation package that deliciously showcases Vienna: Coffee, Culture & Klimt, starting at \$1,389 from Atlanta.

Today's cozy cafes and neighborhood coffee spots may easily be traced back to Vienna, Austria, where charming coffee houses have been part of the cityscape since the 1800s. For more than 175 years, Vienna's coffee houses have been the home away from home for Europe's artists, writers, composers, politicians and thinkers, including 19th and 20th century cultural icons like Johann Strauss, Sigmund Freud, Leo Trotzki and Gustav Klimt.

Art lovers will be pleased to know that between now and the end of 2012, Vienna will celebrate the 150th birthday of Art Nouveau's master painter Gustav Klimt (The Kiss) with a series of special events and exhibits. For a complete listing of events, see KLIMT 2012.

Vienna still boasts more than 1,600 coffeehouses, and US travelers are invited to visit some of the most spectacular ones using this three-night, four-day package that's available from New York, Newark, Washington, Atlanta, Miami, Los Angeles or Chicago.

### The Coffee, Culture & Klimt vacation package includes:

- Roundtrip air transportation on Austrian Air, economy class, between New York, Newark, Washington, Atlanta, Miami, Chicago or Los Angeles and Vienna, Austria.
- Three (3) nights hotel accommodation in Vienna's NH Belvedere, a four-star property.
- Daily buffet breakfast, hotel service charges and hotel taxes.
- Coffee:
  - Coffee and a slice of the Original Sacher-Torte at Hotel Sacher with a dollop of fresh unsweetened whipped cream, and
  - Coffee and cake of your choice at Café Central
- Culture: Half day historical city sightseeing tour, and a combination entrance ticket to the Belvedere Palace\*.
- Klimt: \*This includes admission to the Gustav Klimt / Josef Hoffmann. Pioneers of Modernism exhibit from 10.25.11-3.4.12)

Travelers will likely be ready for a great cup of coffee when they arrive in Vienna, and what is better than enjoying it with a slice of the Original Sacher-Torte at Hotel Sacher? Also included in the package is a stop at Café Central in the heart of Vienna, where travelers get to select their own piece of cake to go with a cup of splendid Viennese coffee.

"When you are sitting in one of Vienna's grand coffee houses, you can easily imagine yourself back in the Art Nouveau period," remarks **Bram Majtlis**, president of Austrian Airlines Vacation Center. "You'll find examples of this important art movement all over the city, and right now, there are more Klimt works on display in Vienna than ever before!"

**Austrian Airlines' Coffee, Culture & Klimt** vacation package is available for travel between now and December 14, 2011 and again between January 8 - March 28, 2012. This vacation package may also be used as the start of a longer vacation: passengers

can stay in Europe up to 30 days and add other cities and countries, if desired. Single supplements, upgrades, additional combinations and extensions are available upon request.
