The growing popularity of Krakow, Poland, as a tourist destination has prompted Austrian Airlines Vacation Center to create a number of vacation packages that feature the historic city by itself or in combination with either Warsaw, Poland, or Vienna, Austria. This winter, the Krakow City Steal starts at \$999 per person double occupancy from New York or Newark and includes roundtrip economy class air transportation, three nights in Hotel PTTK Wyspianski (superior tourist class) in the heart of Krakow, daily buffet breakfast, hotel service charges and hotel taxes.

Off-season travelers can also combine three nights in Krakow with three nights in Warsaw from \$1,289 per person in three-star hotels, including first class rail transportation from Krakow to Warsaw. Finally, travelers who prefer to visit two cities in two different countries may want to check out the six-night Krakow-Vienna combination, starting at \$1,219 per person. These packages are all valid for travel through Dec. 14 and again from Jan. 8 to March 28, any day of the week, subject to availability. Weekend surcharges apply. Single supplements, upgrades, additional combinations and extensions are available upon request. For more information, call 800-790-4682 or www.austrianair-vacations.com.
